

Procedure to Reset GNDEC Email Id Password

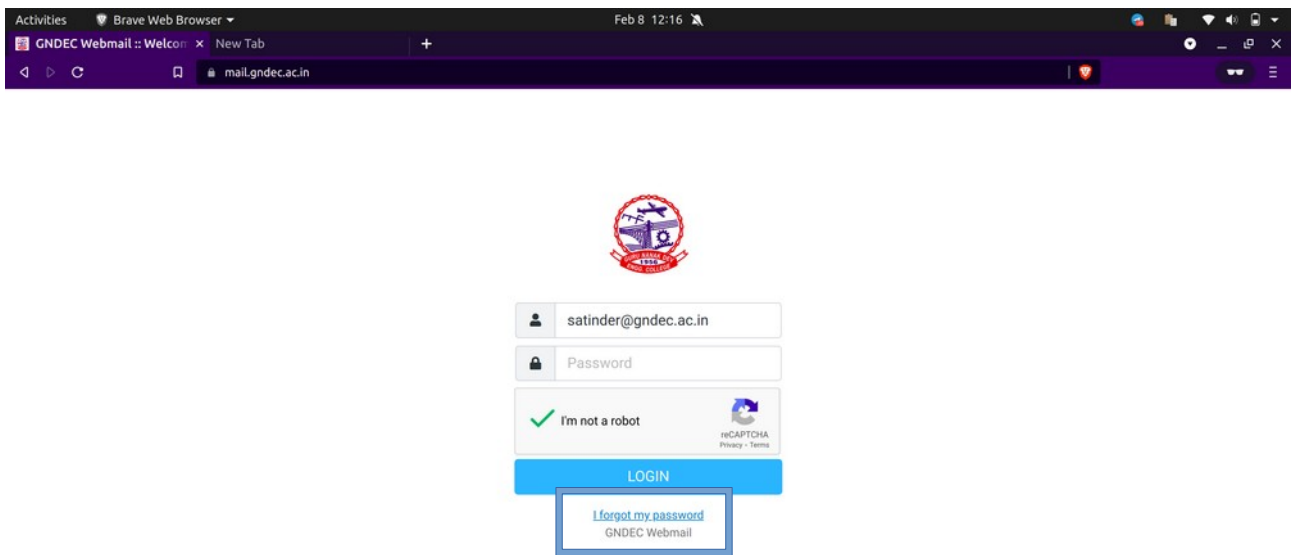

To reset the password of email account at mail.gndec.ac.in, user have to login at mail.gndec.ac.in and then enter his/her email account in the space as shown in the figure below.

Then click on “I am not a robot” to verify the captcha

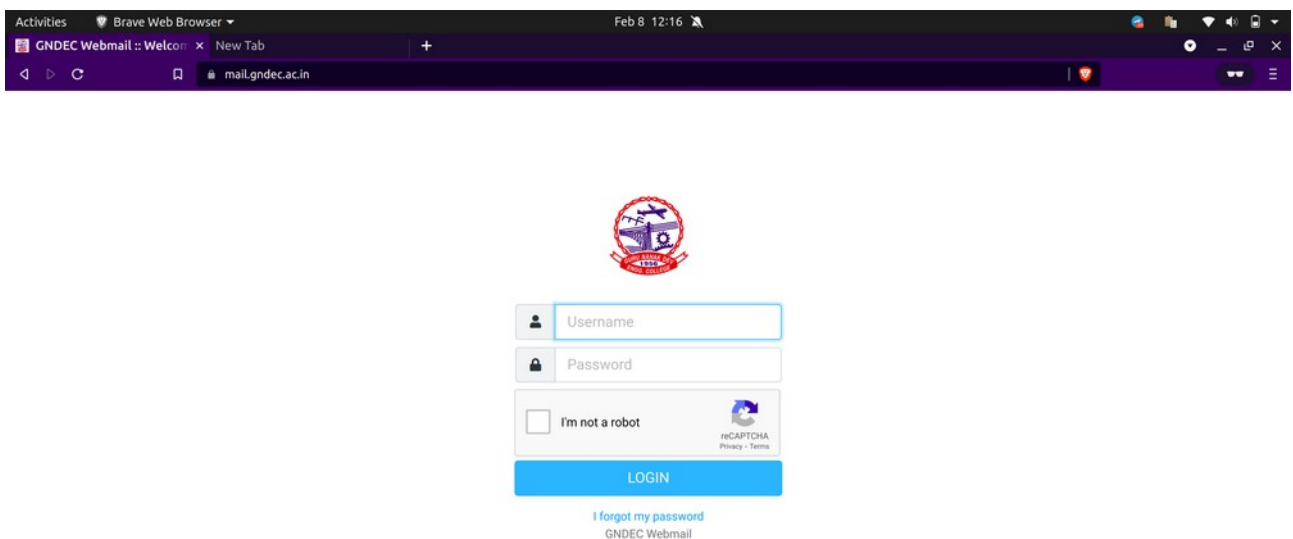

Click on “I forget my password” as shown in image below.

```
javascript:forgot_password());
```

It will send a password recovery link to the alternative email of the user. (To view his/her alternative email id registered with college, user have to visit “View Detail” tab under “Control Panel” on academics.gndec.ac.in)

 An email with instructions is sent to generate a new password to your alternate email.
